EDUCATION

Delft University of Technology

Ph.D. in Computer Science, Learner Modeling and Learning Analytics

Delft, the Netherlands

Expected July 2019

Georgetown University

M.A. in Communication, Culture & Technology
Education Technology Concentration

Washington, D.C.

Graduated May 2015

Assumption College

B.A. English, Concentration in Writing & Mass Communications
Minor in Graphic Design

Worcester, Massachusetts

Graduated May 2013
with honors: cum laude

RESEARCH INTERESTS

My research uses and advances user modeling techniques in the context of open online education at scale in developing a learner modeling-focused approach to learning analytics. I develop methods to gain a deeper understanding about how the design of online learning environments affects learner success and engagement, often by implementing and testing instructional interventions at scale.

PROFESSIONAL SERVICES

Program Committee Member, 8th International Learning Analytics & Knowledge Conference (LAK) 2018

Sub-Reviewer, 18th International Conference on Artificial Intelligence in Education (AIED) 2017

Program Committee Member, European MOOC Stakeholders Summit (eMOOCs) Conference (2017)

Program Committee Member, LAK '17 Conference Workshop on FutureLearn data: what we currently have, what we are learning and how it is demonstrating learning in MOOCs (2017)

INVITED TALKS

Centre for Education & Learning: Innovation Room, Erasmus University Rotterdam, the Netherlands; talk on Adaptive MOOC Learner Support Systems (June 2017)

LAK '17 Workshop on Integrated Learning Analytics of MOOC Post-Course Development, on looking beyond the MOOC platform in the social web for insights about MOOC learners (March 2017)

edX, Adaptive & Personalized Learner Support Systems in the edX Platform (January 2017)

Columbia University Teachers College, Baker EDM Lab Learning Analytics Seminar: Exploring the Role of Learners' Cultural Background in MOOCs (January 2017)

Massachusetts Institute of Technology (MIT), Office of Digital Learning, talk on raising MOOC completion rates through social comparison at scale (January 2017)

TU Delft, Christiaan Huygens Career College Panel, informing Bachelors and Masters students on the decision to pursue PhD research (December 2016)

Harvard University, HarvardX & VPAL, talk on analyzing learning pathways through MOOCs (August 2016)

Worcester Polytechnic Institute (WPI), ASSISTments Lab, talk on experimentation with scalable, adaptive feedback in MOOCs (August 2016)

Centre for Education & Learning: Innovation Room, Erasmus University Rotterdam, the Netherlands; talk on Gauging MOOC Learners' Adherence to the Designed Learning Path (January 2016)

WORKSHOPS ORGANIZED

Wang, Y., **Davis, D.**, Chen, G., Paquette, L. (March 2017) Integrated Learning Analytics of MOOC Post-Course Development Workshop. In *Proceedings of 7th International Conference on Learning Analytics and Knowledge*, LAK '17.
